

Ulrik Bang-Olsen, Partner

Master of Laws (University of Copenhagen),
Admitted to appear for the High Courts of Denmark
Tel. no. +45 23436399, e-mail: ubo@bangolsenlaw.dk

Summary

Ulrik is a Danish qualified lawyer with experience in procurement, negotiation, transaction, contract and claim management matters, as well as litigation and arbitration both nationally and internationally. Ulrik has been involved in a substantial number of large Danish and international construction and civil engineering projects, especially working with various FIDIC based forms of contracts giving him a unique knowledge on the use of FIDIC contracts subject to Danish law. He has worked on various tenders and contracts related to offshore wind farm projects and has a substantial knowledge concerning most legal and contractual matters related to civil works being performed offshore.

In 2013 Ulrik was appointed as Lead Counsel for a consortium of three law firms – Bang-Olsen & Partners, Molt Wengel Advokatpartnerselskab and Bird & Bird Advokatpartnerselskab giving advice to a leading European consortium of international contractors concerning their bid for the Fehmarn Belt Fixed Link. Ulrik has also taught a number of courses in the use of FIDIC contracts for the Danish Association of Consulting Engineers (FRI) and the Danish Association of Architectural Firms (Danske Ark). In addition, Ulrik has been responsible for internal courses to the contract managers of DONG Energy A/S procurement department in respect to offshore projects.
